Did you find this panel useful?

How satisfied are you with the outcome of this panel?

- After clicking on Save, you can see the text of your outcome and you can sign-off the outcome (see below)
 - After saving your outcome document, your panel members will get a notification where they will be asked to review the draft outcome of the panel. If you want to give them time to read and respond to your outcome document, you can wait a couple of days before signing off your Outcome document.

Outcome

test

- After signing-off the other panel members will still be able to read and download the Outcome document
