

## EuRREB Participating Centre Voucher

Please ensure you read and understand the following before completing the application.

The EuRREB Participating Centre Vouchers shall be used for supporting the development and participation of clinical centres that are or intend to be actively involved in using the EuRREB Core Registry for entering data. Two types of vouchers will be available every year and these are summarised in the following table.

Type	Purpose	Maximum Amount per Application	Deadline	Conditions
Centre Set-Up Voucher	To support a centre for starting data entry on the EuRREB Core Registry and become a EuRREB Participating Centre.	€500	Once a year	<ul style="list-style-type: none"> <li>• Open to all centres that are members of Endo-ERN and/or ERN BOND.</li> <li>• Will be granted to a maximum of 6 centres per year</li> <li>• Centres can only apply once. 50% of the amount will be paid after the centre has received ethical approval and 50% after reaching reporting the first 100 cases in the Core Registry.</li> <li>• If one application is being submitted on behalf of more than one centre, please contact the EuRREB team to discuss the application.</li> </ul>
Advanced Centre Voucher	To support an active EuRREB Participating Centre in collecting high quality data for a specific EuRREB study	€1500	Once every 6 months, depending on study launches	<ul style="list-style-type: none"> <li>• Open to active EuRREB centres that are already reporting cases in the core registry.</li> <li>• Will be granted to centres that will start contributing to a study listed on <a href="https://eurreb.eu/core-registry/active-studies/">https://eurreb.eu/core-registry/active-studies/</a></li> <li>• Centres can only hold one Advanced Centre Voucher at any one time.</li> </ul>

### **Deliverables & milestones for EuRREB Participating Centre Set-Up Voucher**

The two deliverables that are expected from this voucher are

- 1) local ethical approval for data entry in the EuRREB Core Registry
- 2) at least 100 new cases reported in the Core Registry

The first 50% of the amount will be paid after reaching deliverable 2, and the second 50% after reaching deliverable 2.

### **Deliverables & milestones for EuRREB Advanced Centre Voucher**

*Please note that you can only apply for an advanced center voucher if you already have ethical approval.*

The two deliverables that are expected from this voucher are

- 1) uploading data of all registered patients with the condition of interest from the Core Registry in the condition-specific module
- 2) entering 50% of e-REC reported patients in the condition-specific module for 2 years

The first 75% of the amount will be paid after reaching deliverable 1. The remaining 15% after 12 months in deliverable 2 and the remaining 10% after fully reaching deliverable 2.
