Endorsement of Educational Activities

Endo-ERN, via Work Package 6 (WP6), can **endorse educational activities** that are organised by institutions, national and international expert committees. Applicants are requested to complete the [endorsement form](#) and provide the requisite supporting documentation and [email](#) to the Endo-ERN Project Office.

The criteria for endorsement is:

- activity concerns (a subgroup of) rare endocrine conditions
- activity provides both the paediatric and adult perspective of the condition(s) covered by the programme
- activity is organised by one or more than one Endo-ERN expert centre
- activity is accessible for healthcare providers and patient representatives from all EU member states
- condition(s) of the activity is/are covered within one of the eight Main Thematic Groups (MTGs)

Clinical Exchange

- 4 Exchanges in 2026
- First year providing the opportunity for a longer Exchange
- $\frac{3}{4}$ Exchanges for 2026 are **2 weeks** long
- Call 2027 will open in the end of the year
